**Re: *United States v. Sune Gaulsh*, 21 Mag. 5195**

Dear Judge Fox:

On or about May 14, 2021, the above-captioned sealed Complaint and an accompanying sealed arrest warrant were filed against defendant Sune Gaulsh. To date, the defendant is a fugitive—indeed, he is charged with international kidnapping for taking his minor son out of the United States in or about November 2020. Neither the defendant nor his son have returned to the United States since then. The Government believes that the defendant and his son are located in Denmark. The Government writes to respectfully request that this Court enter a limited unsealing order that would permit the Government to disclose the Complaint and arrest warrant to others within the United States government as well as to foreign officials for the limited purposes of enabling the Government to coordinate with foreign law enforcement authorities, apprehend the defendant, bring him to the United States, and to further the existing investigation.

Respectfully submitted,

AUDREY STRAUSS  
United States Attorney
